The Chas. A. Nichols Co.

[Springfield, MA]

September 6, 1911

Dear Sir:--

In our recent fire we lost many of our records and unfortunately our subscription lists are now somewhat incomplete. For these reasons we shall very much appreciate your courtesy, if you will inform us on the attached reply postal, if your library has or has not Larned's "History for Ready Reference."

As we are preparing for publication a list of libraries owning the work, a prompt reply is desired, for which we thank you in advance.

Yours truly,

THE CHAS. A. NICHOLS CO.
